FROM THE DEW TOUR RULE BOOK:

6.7.1.2.1 Judging

Five (5) judges and one (1) head judge who will also score.

Judging is based on overall impression, which includes:

- Content- the number, difficulty, originality and variety of tricks successfully performed
- Aggressive execution of maneuvers performed, exhibiting proficiency
- Style- the fluid linking of individual tricks (i.e. continuity of line)
- Use of the park course – ramps, boxes, handrails, etc.

Note: These categories are weighted by the individual judge's subjective opinion

Falls:

A subjective penalty will be assessed, and the following will be taken into consideration when determining the amount of penalty:

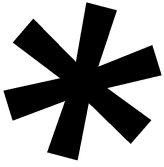

- What was being attempted when the fall/step off occurred?
- How the overall fluidity of the run was affected.
- Ability to recover and continue the continuity of the run.
